## Carla Romanelli Lensi

Carla Romanelli Lensi is an international authority on the Rottweiler and has attained world renown. She has been involved in all aspects of the Rottweiler since the early 1950's. Her book "Rottweiler il Cane" is a major work and a well respected treatise on the Rottweiler.

Her kennel name is "Della Riva Petrosa" producing the Italian National Sieger for 1988, Condor della Riva Petrosa, IPO titled offspring and Italian reproduction Champions. Her opinions and keen insights concerning the Rottweiler are sought after worldwide including in the IFR, international Sieger shows and the ADRK Klub Sieger show

She has internationally adjudicated for every FCI recognized Rottweiler Club as well as the ADRK Klub Sieger show. In her home country of Italia, her credits include; past president of the Rottweiler Club Italia for over 10 years, current IFR delegate and a current IFR board member. She is qualified to adjudicate the Rottweiler Club Italia Ztp's and is a breed committee member of the Rottweiler Club Italiano.

Additionally, Mrs. Lensi has judged conformation and Ztp's in the US for many USRC clubs and past conformation shows for the Colonial Rottweiler Club and the Medallion Rottweiler Club Sieger show.

As an affiliate club of the Alliance of Independent Rottweiler Clubs, the New England Rottweiler Fanciers is pleased to have her adjudicate our 2010 national show.

Circle Ztp on entry form and complete all pertinent areas

## ZTP (Zuchttauglichkeitsprüfung- Breeding Suitability Test)

The purpose of this test is to determine which dogs are worthy of being used in a breeding program. The test covers conformation, temperament and working ability. It is scored on a pass/fail basis. A dog which fails any part of the test will be excused from continuing the test.

### Requirements

**1. All dogs must have a tattoo or microchip. (Bring your own scanner)**

**2. On the day of the event, all dogs must present the following original papers:**

**A. Original registration papers**

**B. An original certified three or four generation AKC pedigree or certified pedigree from country of origin.**

**C. Original scorebook with proof of BH given by a VDH sanctioned organization.**

**D. Original "acceptable" hip certification (OFA, acceptable Penn Hip evaluation, Or acceptable hip rating from the country of origin). Dogs may attempt breed tests at the age of 18 months; however, an acceptable hip certification must be submitted before the breed test becomes valid.**

**3. A copy of each of these original documents must be sent with the entry form.**

**4. Entry forms must include: Full name of dog; sex; date of birth; registration number; Tattoo or microchip number; hip certification if the dog is 2 years of age or older; Proof of BH; any titles; sire; dam; breeder; owner's name, address and phone number. Registration numbers, hip certification, and tattoo or microchip numbers of dam and sire are also required.**

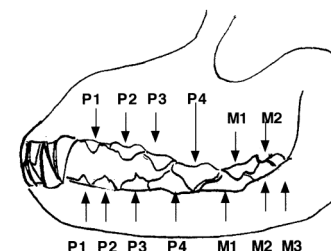

**5. Weight certification from vet on vet's letter head**

### Conformation

All dogs will be measured, weighed (if scales are not available, entrants must bring a letter from a veterinarian stating the dog's weight) and critiqued for movement and conformation.

Dogs must have 4A or darker eyes to pass.

### Temperament

Two shots will be fired 15'-20' from the dog as he is walked away on a loose lead. Crowd test: Dog must walk through a group of 4-6 people as they move and stand still. The dog and handler stand still, the crowd walks up forming a tight circle around the dog and handler, then move away at the judge's command. This is done several times at slow, normal or fast pace as directed by the judge.

### Working Ability

Attack on Handler: Dog must react to attack on handler by biting sleeve and taking two stick hits. Agitator stands still, dog commanded to "out", release bite on command.

### Courage Test

Dog must pursue an agitator that is running straight away from him (about 50 paces). As the dog gets about 20 paces from the agitator, he turns and runs at the dog making noise and threatening gestures.
